Notice of Availability of Grant Program Funds

Take Notice that, in compliance with N.J.S.A. 52:14-34.4 et seq., the Department of Labor and Workforce Development (Department) regularly publishes on its website: <https://www.nj.gov/labor/>, all notices of fund availability pertaining to Federal or State grant funds which may be awarded by the Department. The notices of grant opportunities may be found on the Department’s website in the tab “[Research & Information](#)”.

The State of New Jersey is committed to strengthening workforce development services by encouraging displaced/dislocated workers meet their full potential through occupational training that enables them to transition to in-demand industry occupations. While the economy needs to produce a range of jobs that provide employment opportunities to workers with varying skill levels, advancement in most occupations also require additional skills obtained through training. Essential to this commitment is the State’s “culture of cooperation” where state agencies collaborate with local agencies along with private and public sectors through the establishment of partnerships. A skilled and educated workforce can only be obtained and maintained if businesses have access to skilled workers through a quality training system responsive to the in-demand needs of the employer.

A. Name of Grant

New Jersey’s Opportunity Partnership Grant

B. Purpose of the Training Grant

The purpose of the [Opportunity Partnership Grant \(OPG\) training program](#) is to assist displaced/dislocated workers secure employment by providing occupational training in industry sectors recognized and driven by employer's in-demand needs. The goal of the OPG training program is to re-connect training participants with gainful employment that offers them a sustainable wage. In an effort to provide training services that are needed by employers and find workforce skill gaps that are present in the current economy, applicants are encouraged to review labor market information in the “*Demand Occupation Listings*”, at the DOL website: https://www.nj.gov/labor/lpa/lbrdmand/LaborDemand_index.html .

B1. Purpose for which the grant funds will be used

The Department will focus their investments on training programs that result in industry specific jobs that are “*in-demand*”. Funds are appropriated to develop skills for displaced/dislocated individuals that result in employment in a labor demand occupation. The training offered must lead to an industry recognized certificate, credential, or licensure as required by employers, in demand industry sectors. When calculating the total cost of the grant request, not more than 10% of the funds received shall be expended on anything other than direct training costs--direct costs do not include the service provider’s administrative expense(s).

B1.1. Occupational training funded: Occupational training must fall within a “labor demand occupation” in a labor demand occupation determined by New Jersey’s [Workforce Development Board](#) (WDB) <http://www.njsetc.net/njsetc/localwdb/find/>. *“Labor demand occupation” is an occupation for which there is or is likely to be an excessive demand for labor beyond the current supply for adequately trained workers within the specific occupation.*

- **Number of proposals to be submitted for funding:** Only one proposal may be submitted per job title; an applicant may submit more than one proposal for different job titles within an industry sector. The applicant’s employer-partner may have a need to hire various job titles that have different training requirements and associated costs; therefore, a separate proposal must be submitted for **each** job title.

Additionally, no more than one industry-sector should be targeted in the applicant's proposal.

- **Applicants must describe the type of credential and the accrediting organization:** The successful grantee will award participants who complete the training program a certificate of completion; and if a requirement of employment, facilitate an industry related credential or licensure granted by the authorized agency or organization (i.e., the applicant must specify the name of the accrediting organization or body that will certify the credential). If an industry-recognized credential and/or licensure are required for the job title, the grantee will incur the cost and facilitate the participant's examination in order for them to receive the required certification, credential, and/or licensure issued by the state and/or federal licensing agency. In some cases, the criteria for the license may include some combination of work-based learning, assessments, certifications, educational certificates or degree attainment in order to meet the accrediting organization's requirements. Should the trainee fail any sections of the requirement, the grantee will provide additional training at no cost unless otherwise defined as indicated below:
 - *If the trainee does not pass the required test for certification as required for employment in the training related occupation, the grantee will provide additional training (including test preparation) and testing fees at no cost to the trainee. If, after sufficient preparation, the student fails the test the second time, all subsequent test charges are to be paid by either the training provider or the trainee. The grantee or DOL is not obligated to provide additional training or pay testing fees for the trainee's third attempt.*
 - *If credential or licensure is a requirement of employment, course completion payment from DOL to the grantee will be paid after the trainee receives the industry documentation required by the employer-partner.*

B1.2. OPG grant funds as a supplement to financial aid or other assistance: If training is provided in connection with a program under which individuals may obtain a college degree, individuals eligible for training grants must apply for all Federal, State and other sources of financial aid or assistance. PELL grants, other tuition assistance or other student aid must be used first for the cost of tuition and fees. Training candidates who are eligible for a PELL and/or any other grant but whose grant award cannot be estimated will be permitted to enroll in training under the Opportunity Partnership Grant. If or when other grant awards are determined for an individual training candidate, the Opportunity Partnership Grant (OPG) grant funds contracted for the individual will then be used as a supplement to financial aid or other assistance.

B1.3. DOL will not fund: Training that is not comparatively priced with similar training titles listed on the state's eligible training provider list (ETPL) unless the applicant states that the training offered includes more preparation than recorded on the ETPL. The value-added preparation must be clearly described in the applicant's proposal.

C. Amount of Funding Allocated for Fiscal Year 2021

The projected amount of funding allocated by the Department of Labor for the Opportunity Partnership Grant training program is estimated to be **\$1,400,000**. This allocation is contingent upon the amount available in the Workforce Development Partnership Program (WDPP) training fund or the Department's discretionary fund.

C1. Grant Amount Awarded to Vendors: The amount awarded to vendors will be no more than **\$175,000** per proposal. Final awards are contingent upon the Commissioner's approval and the availability of funding.

- **Applicants may budget a cost of up to \$6,000 per trainee:** The cost per trainee is calculated by dividing the total budget cost by the number of projected participants to be enrolled. This cost may include all planning, training, administrative, and follow-up directly related to the cost of training (e.g., cost of instructors, consultants, facilitators, books, supplies and/or equipment) which have been specifically identified by the

training provider as a requirement for successfully completing a course or training program. Application fees and other fees may also be paid under the grant program. These acceptable fees related to a training program include but are not limited to background checks, library fees, lab fees, computer lab fees, test fees, and all third-party testing and credential/licensure cost if required. The trainee must not incur any costs either associated with the training or as a condition of employment unless otherwise contractually defined.

- **Reimbursement for Training:** Payments are disbursed using the “pay-for-performance” method within the following benchmarks:
 - **Twenty-five percent** of total approved cost per trainee after the course starts and the trainee is enrolled for at least **10 days**.
 - **Twenty-five percent** of total approved cost per trainee after contracted hours **mid-point**
 - **Forty percent** of total approved cost per trainee after course qualifications are completed and if requirement for employment, certification/licensure are received by the certifying agency.
 - **Ten percent** of total approved cost per trainee after the trainee is hired and placed into a full-time position if within 90 days of completing the training or an extension date approved by DOL. The grantee will be reimbursed for job placement upon verification by DOL.

Source and recruit eligible candidates: Until further notice, All One-Stop Career Centers are Available for Virtual Services Only -- Due to the COVID-19 pandemic, all One-Stop Career Centers are closed to in-person visits. However, NJDOL will continue to provide these critical services online, via email, and by phone. Please visit us online at [One-Stop Career Center Services](#).

Applicants who are awarded a training grant must collaborate and cooperate with the [One-Stop Career Centers](#) to source and recruit eligible candidates for their training program. The One-Stop Career Center (OSCC) must identify those candidates who are eligible and qualified to receive OPG training. The candidate must have an Employability Development Plan (EDP) prepared by the OSCC prior to enrollment in training that indicates that the candidate is eligible, qualified, and approved to receive OPG training; the student may not self-enroll. The applicant must indicate in their proposal the location of the training and explain how they plan to collaborate with the OSCC to recruit candidates.

- DOL will provide the successful applicant with OSCC contact information and the process to recruit training candidates.
- The One-Stop Career Center will provide the identification number of those registered and qualified to receive OPG training.
- Candidates must be selected by the grantee and recommended by the OSCC based on the candidate’s determined need and established interest in the occupational training offered.
- Individual’s self-enrollment prior to the OSCC approval of an EDP are not eligible under this grant.
- **Target population eligible to receive training:** In order to be eligible to receive training a candidate must be a qualified displaced/dislocated worker as defined in the WDPP.
“Qualified displaced worker” as defined in WDPP legislation means a worker who:
 - 1) Is unemployed **and**:
 - a. Is currently receiving unemployment benefits pursuant to R.S.43:21-1 et seq. or any federal or state unemployment benefit extension; **or**
 - b. Has exhausted eligibility for the benefits or extended benefits during the preceding 52 weeks; **or**
 - 2) Meets the criteria set by the Workforce Investment Act of 1998, Public Law 105-220 (29 U.S.C. ss.1651 et seq.), to be regarded as a "dislocated worker" pursuant to that Act [Act amended to the Workforce Innovation Opportunity Act (WIOA) Public Law 113–128, (29 U.S.C. 3102) July 22,

2014, 128 Stat. 1425]. A “Dislocated Worker” as defined in WIOA sec. 3(15) legislation is a worker who is authorized to work in the U.S., **and**

- a. Is unemployed and have lost their job through no fault of their own, eligible for or exhausted UI and unlikely to return to this industry or occupation; **or**
- b. Has lost job from permanent closure or substantial layoff of a plant, facility or enterprise; **or**
- c. Was self-employed and now unemployed because of economic conditions or natural disaster; **or**
- d. Is a displaced/dislocated homemaker—an individual who was dependent on the income of another family member and is no longer supported by the income of that family member; **or**
- e. Is a non-retiree military service member who was discharged or released from service under conditions other than dishonorable, or has received a notice of military separation issued in advance of 180 days; **or**
- f. Is a spouse of a member of armed forces on active duty who is unemployed or underemployed and is having trouble in obtaining or upgrading employment; **or**
- g. Is the dependent spouse of a member of the armed forces on active duty and whose family income is significantly reduced because of a deployment, a call or order to active duty, or service-connected death or disability of the service member.

D. Entities That Can Apply for Funding

Service providers of employment and training services are eligible to apply, including but not limited to:

- New Jersey’s Workforce Development Boards (WDB’s) who engage external “third-party” training providers (Workforce Investment Board applicants who apply as a service provider should adhere to WIOA guidance).
- Post-secondary educational institutions, and
- Qualifying schools who are approved by DOL. ([click for regulations of "qualifying school"](#))

The successful applicant will serve as the entire legal entity, the lead agency of record, the legally recognized fiscal agent for the grant project, and the single point of contact for DOL. The lead agency will be responsible for overseeing the implementation of all aspects of the grant such as curriculum, training logistics, recruitment of candidates in collaboration with the OSCC assigned OSCC liaison, trainee’s job placement as agreement with employer-partner(s), program monitoring and reporting, the spending plan, and fiscal management of the grant award.

D.1. Contact with Workforce Development Boards: Local area Workforce Development Boards (WDB) are critical for the success of the OPG training program. Displaced/dislocated individuals who receive OPG training must meet the eligibility criteria established by the local One-Stop Career Center (OSCC) which operates in conjunction with local area’s Workforce Development Board.

- The applicant must contact a representative from the area Workforce Development Board (WDB) [Local WDBs in NJ](#) for the purpose of guidance and to discuss the applicant’s proposed project and intent to apply for the Opportunity Partnership Grant which is State funded through the Workforce Development Partnership Program (WDPP).
- The applicant must state in their proposal they have contacted the WDB and have discussed and understand the method established by the local area OSCC for: eligibility determination, recruitment and follow-up. At a minimum, the applicant should understand the responsibilities of the parties and their particular roles (e.g. One-Stop Operator, Manager and One-Stop Counselors) and their individual responsibilities.

- **Workforce Investment Board applicants** who apply as a service provider should adhere to WIOA guidance:
 - In order to effectively promote and develop quality training and industry sector strategies, it is vital that WIOA’s “Individualized Career Services” program and OSCC partner programs work together to ensure a customer-centered approach to service delivery.
 - Individuals who are qualified and meet the eligibility criteria for both the Opportunity Partnership Grant and WIOA Title I (Dislocated Worker) may be **co-enrolled** in these programs. Designated staff must record, in the individual’s AOSOS record, information regarding to assessments, referrals, participation, job placement, etc.
 - **Co-enrollment** is defined as enrollment in two or more WIOA programs (e.g., contracts for training services), and/or special grant programs funded by the State. Co-enrollments benefit the Customer Jobseeker and may be used to leverage services that are available to ensure a positive outcome. Coordination of co-enrollment will eliminate the duplication of these services and reduce the amount of time staff spends providing intensive services such as case management, job search assistance, and follow-up services. The OSCC network seeks to co-enroll for the benefit of the Customer with services from other programs that supplement and/or enhance those services not to duplicate them.

D.2. One-Stop Career Centers (OSCC):

Should the applicant receive the training grant, the successful grantee should understand how to interface and collaborate with the One-Stop Career Center . The grantee must cooperate and collaborate with the OSCC assigned liaison at the One-Stop Career Center to conduct information sessions regarding training and employment opportunities for potential eligible candidates. Prior to conducting the information session, the grantee must collaborate with the OSCC liaison and provide them with the job analysis/description (Attachment C) information to ensure all candidates have knowledge of the training, specifications and requirements of the job, and any additional resources and/or services that may be available through the OSCC system. All flyers and advertising for the training must be reviewed by the DOL Assigned Program Specialist and approved by the OSCC prior to holding the information session.

- **Notice to the OSCC:** The successful grantee should expect to provide the OSCC liaison at least two weeks advance notice before scheduling an information session to ensure that the OSCC has adequate time to notify all eligible displaced/dislocated workers about the opportunity to attend the session. The final recruitment timeframe will be determined between the OPG grantee and their OSCC liaison. The grantee must also notify the assigned DOL OPG Specialist and provide the final logistics of the proposed information session. The assigned DOL OPG specialist and other DOL representatives may arbitrarily attend these informational meetings.
- **Collaboration with the OSCC liaison:** Eligible displaced/dislocated workers must participate in an information session facilitated and coordinated by the successful grantee in collaboration with the OSCC liaison. The information session may be “*virtual*” and/or “*in person*” **only if the Center for Disease Control and Prevention (CDC) and DOL safety requirement are in place and followed.** During the information session, in addition to providing course information, the successful grantee shall provide a realistic picture of the employer’s requirements and essential functions of the job. In addition, the training provider should describe the challenges program participants may encounter on the job and discuss how they should manage these challenges in a positive way.
- **Training candidates must be registered with the OSCC:** All individuals accepted as candidates for the training program must be registered with the OSCC.
 - After the individual attends the information session presented by the training provider, the

candidate(s) selected is/are required to meet with the qualified counselor who will provide employment counseling and help the candidate generate an Employability Development Plan (EDP) and to qualify the candidate for OPG training. Successful grantees will check with the OSCC liaison to ensure that all participants accepted into the training program are registered with the OSCC, have received an identification number, and have an EDP that indicates the candidate is qualified and approved to receive OPG training.

- The successful grantee will keep the OSCC assigned liaison and the DOL assigned specialist informed and up to date with the trainee's progress, provide trainee's enrollment dates, course completion dates, and job placement information when it becomes available.

E. Requirements of Applicant

- **Tax Clearance Certificate:** Unless the applicant is an entity with exemption status, Public Law 2007, c. 101 requires that as a precondition to the award of business assistance or incentive or as a component of the application for business assistance or incentive, a business seeking a grant, loan, loan guarantee, or other monetary or financial benefit from a department or agency of state government shall obtain a **Tax Clearance Certificate** [<https://www.state.nj.us/treasury/taxation/busasst.shtml>] from the director of the New Jersey Division of Taxation prior to the issuance of the grant, incentive or assistance. Tax Clearance certificates may be requested through the State of New Jersey's **Premier Business Services (PBS) portal** online. *The use of the portal **replaces** the need for the paper application submission to the Division of Taxation; the processing fee is also waived with the use of the portal. Each applicant will be able to print the necessary clearance certificate through their business's portal account.*
- **State of New Jersey W-9 Form:** A completed State of New Jersey W-9 form must be on file with the New Jersey Department of Treasury. It is the applicants' responsibility to ensure this step is completed. Applicants may register with the New Jersey Department of the Treasury online at: <https://www.state.nj.us/treasury/purchase/njstart/vendor.shtml> . Failure to complete this step will delay or forfeit a grant award. (Note: grantee's reimbursement checks are linked with the FEIN that is on file with the NJ Department of Treasury; as a result, reimbursement checks are mailed to this address).
- Applicants must describe their ability to partner with employers. Applicants must define and describe their experience with engaging employers and their capacity and experience in delivering education and training within the employer's industry sector. Each proposal must include the employer-partner's contact information.
- All training providers must be registered on the DOL Eligible Training Provider List (ETPL): <http://www.njtopps.org/>.
- Applicants who engage external "third-party" training provider(s) must include the contact information (name, address, e-mail address and phone number) in their proposal; external "third-party" training providers must be approved by DOL. Grantees may not assign or subcontract with other service or training provider(s) without the written consent and authorization of DOL. An attempted assignment or subcontract without DOL's written consent shall void the contract.

E1. Intent to provide high-quality instruction in occupation skill areas that result in full-time employment. The applicant must propose training for qualified displaced/dislocated workers with the intent to provide instruction in demand occupation skill areas specifically required by the employer-partner(s) in order to fill immediate or projected full-time job openings. Employment for the trainee must be classified and determined by the employer-partner as *needed for full-time employment*. Training is to be conducted with

the employer's intent to employ the selected individual(s) for a period of at least six months following successful completion of training.

The number of training slots listed in the proposal is an indication and expectation of the number of full-time job positions that are projected to be available within 90 days from the trainee's successful completion and credential requirements.

- **Training Plan:** Training should be provided in a setting facilitated by a qualified instructor at a time, date and location designated by the training provider. The training provider should offer training using modalities conducive to imparting information and industry-related training required by the employer-partner(s). The training may be *“virtual” and/or “in person” only if the Center for Disease Control and Prevention (CDC) and DOL safety requirement are in place and followed.*
- The applicant must provide a description of the type of training provided and the timeline. Contracted training hours must be structured utilizing a method that the instructor and the student have the ability--and technology if virtual--to interact with each other. The trainee must not receive a payment or stipend during any phase of practical, clinical, pre-apprenticeship, or internship training. Training at the employer-partner's location must be accompanied concurrently or otherwise, by whatever amount of classroom-based or equivalent occupational training, remedial instruction or both, is deemed appropriate by the employer-partner and/or DOL.
- The successful applicant will provide training consisting of no less than 20 hours per week. The successful applicant *must provide a written attendance policy to the trainee* and inform the DOL Program Specialist and their contact at the One-Stop Career Center should the student stop attending training for any reason or should there be any deviation from the proposed curriculum and/or schedule including where, when, and why.
- The successful applicant will coordinate all training program information sessions and recruitments; oversee student assessments and employer screenings, provide instruction of occupational training in identified skill areas; insure program participant's placement into training-related employment within 90 days of the conclusion of the training and, report such job placements and job verification form to their designated OSCC and DOL liaisons.
- **Program Assessment Plan:** The applicant must specify in their proposal that they will implement a formative assessment plan for each individual trainee. Should the applicant be awarded the grant, the grantee is required to submit a monthly dashboard report and a final report at the conclusion of the grant. The purpose of the monthly dashboard report is to document and provide each individual's development from recruitment to the individual's job placement; the final report is summative and inclusive for all trainees—required reporting forms will be provided by DOL.
 - The plan should include benchmarks that monitors the individual's progress toward meeting specific program objectives based on the program's required performance indicators.
 - The plan should describe how the applicant will use the information collected through the assessment to monitor the individual's progress toward completion and job placement.
 - The plan should include engagements with employer-partner(s) to ensure job placement success of the individual(s) and describe strategies to replicate success for future job seeker trainees.
- **Subcontracted training:** Grantees may not assign or subcontract to a service or training provider without the written consent of DOL. An attempted assignment or subcontract without DOL's written consent shall void their contract. Should DOL approve the assignment or subcontract, all training providers utilized as part of the grant must be listed as “approved” on the state's Eligible Training Providers List (ETPL) including training services subcontracted by the applicant's external “third-

party” training provider. Additionally, all courses in the applicant’s training plan must be listed on the ETPL and are subject to DOL’s review and approval. If the course is not on the ETPL at the time of the application, upon course approval, DOL expects that the training provider will notify DOL when the course is approved and added to the ETPL before the grant award is finalized and instruction begins.

- **Employer-led Partnerships:** Applicants are required to partner with a business or consortia of businesses from one of New Jersey’s target industry sectors. In an effort to provide training services that are needed in the prospective occupational area, applicants are encouraged to review the Labor Market Information Data for Occupational Listings at the DOL website to review:
 - Labor Demand occupations https://www.nj.gov/labor/lpa/lbrdmand/LaborDemand_index.html
 - Standard Occupational Classification {SOC codes} <https://www.onetonline.org/find/>
 - Training Program Classification of Instructional Programs {CIP codes} and Program Titles associated with the code <http://nces.ed.gov/ipeds/cipcode/search.aspx?y=55>
- **Employer’s role in the partnership:** Employers are critical collaborators and partners in the successful outcome of the OPG program; therefore, it is expected that the applicant will form employer-partnerships. Employers should play a primary role by providing input for the program curriculum design and instruction. The curriculum should be customized to teach specific skills resulting in an industry-recognized credential if required by the employer-partner. The employer-partner relationship is intended to increase capacity in developing employer-driven successful outcomes in demand occupations by offering full-time permanent positions to those who successfully complete the OPG training program. Employers should be invited and strongly encouraged to attend information sessions to meet and interview potential training candidates and continue their involvement throughout the training.
- **Employer’s letter of need:** The applicant should obtain letter(s) of need from each employer that indicates the employer’s interest to become a significant workforce partner. Letters of need must be on the company’s letterhead, include the employer’s phone number, and signed by a company official. DOL will contact the employer’s hiring manager to verify that the employer acknowledges their role in the training provider employer-partnership. Should the department determine that the employer’s described role in the partnership does not exist the applicant’s proposal will not be considered for panel review.
- **Job that yields a wage beyond self-sustaining:** The “Self-Sufficiency Standard” establishes a family sustaining wage specific to most families. It is anticipated that occupational training provided through the Opportunity Partnership Grant will enhance the job-seekers marketable skills and/or earning power and ultimately provide a pathway to a job that yields a wage beyond [self-sustaining](#).
 - The trainee’s projected earnings and method of compensation are examined closely by DOL. DOL’s expectation is that employer-partners will commit to offer full-time employment at a wage rate within the parameters of fifteen (\$15.00) dollars per hour or a wage rate determined by a comparison of in-demand jobs throughout New Jersey. DOL reserves the right to review and make final determination.
- **Job Placement Plan:** The successful grantee is required to develop a job placement plan for the trainee. The job placement plan must include a procedure for assisting the training participant with job placement by facilitating an introduction/interview with the grantee’s employer-partner. The job placement benchmark is established when the trainee is hired at the contracted rate of pay or greater, into a training related job that is determined full-time by the employer.

- **Demonstrated Outcome:** Performance resulting in job placement is fundamental to the success of the training program. The applicant must include in their proposal a job placement contingency/back-up employment plan in case the original employer-partner is not able to fulfill their job placement commitment at the end of the training. Employer-partners not initially listed must be reported to the OPG Program Specialist and approved by DOL.
- Should the trainee accept employment in a training related occupation prior to meeting the course completion benchmark requirements, the trainee must complete the course completion requirements within 90 days of the job placement date or DOL is not obligated to remunerate the grantee the amount set forth in the course completion benchmark.

E2. Program Reporting/Invoicing Requirements

- **State of New Jersey – Vendor Registration:** to become a New Jersey State vendor, applicants must register with the New Jersey Department of the Treasury online at; www.njstart.gov. It is the applicant’s responsibility to ensure this step is complete.
- **Successful grantees must report monthly:** program activity, participant data, and program outcomes. DOL will provide the reporting forms. All reports should be submitted electronically to the assigned DOL representative as required. The assigned representative will monitor the monthly activity to ensure contract deliverables are being met and validate invoices for payment. Monthly reporting is required even if there is no change in activity from the prior month.
- **Recordkeeping and Reporting:** Applicants must have a working knowledge of the OPG training program’s specific goals and objectives in order to assist their personnel with identifying effective ways to collect, record and analyze the data that will serve to meet training program objectives.
 - The successful applicant must provide their personnel with effective strategies for reporting student and project performance to their One-Stop’s liaison and the DOL’s Program Specialist.
 - The successful applicant must have a working knowledge of the Department’s performance reporting requirements
 - Grantees will be reimbursed using a “pay-for-performance” method for expenses incurred during the prior month
 - Grantees will be required to complete and submit the following documents:
 1. A monthly report (Dashboard Example-Attachment F), due by the 5th of each month detailing all activities performed under the grant including a list of class offerings, the number of classes provided, the number of clock hours for each course, the list of names of participants in each class, the number of trainees successfully completing the class(es) and if applicable, the names and address of the employer-partner as well as the date of employment and the starting wage. Submittal of a dashboard is required even if there is no activity or expenses incurred for the month.
 2. A monthly invoice, expenditure report, and benchmark tracking form due by the 5th of each month detailing all expenses incurred during the prior month. Grantees will be paid on a prior month cost reimbursement method, after the invoice has been submitted to, and approved by DOL.
 3. A final closeout report must be submitted within 30 days along with the final invoice for the last job placement benchmark. The final closeout report must include: program activities, assessments on training outcomes, a compilation of financial information, descriptions of barriers in meeting goals if applicable, success stories, best practices learned, and return on investment. The

DOL representative will provide the closeout forms. Final reimbursement will be subject to the submission of the closeout report and acceptance by DOL.

4. On occasion grantees may arbitrarily be required to submit ad hoc reports on short notice.
5. DOL reserves the right to request training evaluations from all trainees.

E3. Program Utilization: The successful grantee shall consistently monitor the performance of the grant activities to assure that time schedules are met, projected work units by time periods are accomplished and other performance goals are achieved. The grantee is required to submit the job placement verification form to the OSCC liaison. The job placement verification form must be signed by the authorized grantee and submitted to DOL when the grantee requests payment for job placement. Additionally, the grantee must enroll at least 25 percent of the contracted number within the first three months of the contract start date and utilize at least 30 percent of the grant funds within the first six months of enrollment. Consideration will be given based on the schedule submitted in the applicant's training plan. Failure to comply may result in the de-obligation of the unexpended funds.

E4. Program Evaluation: The applicant's demonstrated past performance of previously funded grants will be a consideration (i.e., past performance measures include job placement and the benchmark expenditure rate). Expenditure (utilization) rate is measured by the amount of the grant awarded in relationship to the unexpended amount at the close of the grant. Additionally, At least 50% of the approved enrolled trainees must be placed in a training related position before the grantee may be considered for additional funding for similar training under the Opportunity Partnership Grant.

F. Proposal Process

To ensure consistency and fairness of the evaluation process, each applicant seeking funding under this grant program must submit a proposal that adheres to the requirements listed below:

- The applicant must submit the proposal--in PDF (Portable Document Format) format--electronically, **by email** directly to OPG Program Manager, Ms. Gerri Brosh Gerri.brosh@dol.nj.gov **by 3 p.m.** on the due dates listed in Section H., Submission Date of this NGO—faxes will not be accepted. Additionally, the applicant's supporting documents that are required from outside their organization may be scanned and included in the PDF file.
- In addition to the electronic submission, proposals must also be submitted by postal mail—**hand delivered proposals, other than by a carrier representing the postal mail system, will not be accepted.** Postal mail proposals must be received at DOL by 3 p.m. on the due dates listed in Section H., Submission Date of this NGO. Postal mail postmarks are not acceptable evidence of timely submission.

Points**

- **Budget Narrative** describes the entire cost of the program. Applicants must provide justification for all aspects of the budget. The budget narrative and budget form should be clearly and accurately aligned and consistent with the activities outlined in the program narrative.

The budget consists of line items for programmatic and administrative costs. All costs associated with direct delivery of services to participants are considered programmatic costs, including instruction.

Administrative costs are costs not directly associated with direct cost of training and cannot exceed 10% of the direct cost. Successful applicants may be required to submit more detailed budget information at the time of contract negotiations.

All items described in the budget narrative must be listed in the same order as they appear on the budget form:

- **Budget Summary Form Line Item Expenditures** must represent the individualized cost directly related to training. The budget items must be within the cost guidelines of this NGO. Utilization of grant funds provided through this NGO is for direct cost of training including administrative costs approved by DOL. The budget is comparatively priced with similar trainings offered by other training providers; DOL's cost basis policies and regulations will be used as a guideline to review the budget.

In consideration of the budget amount requested, DOL will factor:

- Number of trainees.
- Training cost per individual trainee.
- Number of instructional hours per individual trainee.
- Cost per hour per individual trainee.
- Administrative cost not to exceed 10% of direct cost

Budgets that indicate reasonable costs, while providing quality training at a low-cost ratio per individual trainee will be viewed favorably during the application review. Key review considerations of the budget:

- Budget contains no calculation errors
- Budget is reasonable
- Budget is within the cost guidelines of the NGO
- Innovative usage of other funding sources/services
- Budget Summary aligns with Budget Narrative

Budget's Direct Cost line items do not include:

- Mileage and toll expenses for travel;

- Overnight accommodations;
- Capital construction or renovation;
- Costs associated with preparing the grant application;
- Costs of memberships in associations or organizations; and
- Other costs as determined by DOL to be indirect (e.g., lodging, parties, food, etc.).

- Program exit is defined as a participant having either been designated by the local area as such or who has not received a service funded by the program or funded by a partner program for 90 consecutive calendar days and is not scheduled for future services.
- Number served is those participants who are registered and receiving services.
- Definitions for financial terms below are derived from the **One-Stop Comprehensive Financial Management Technical Assistance Guide**. This document may be found on the Internet at https://www.doleta.gov/grants/pdf/TAG_PartI.pdf. The financial definitions below shall be those used in review and audit of related processes and systems. Local area records must conform with the definitions of the following terms from that document:
 - - Obligations are defined as the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee.
 - Expenditures/outlays are defined as charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase(or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors and other payees and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims and other benefit programs. Quarterly reports shall be prepared on the accrual basis.
 - Administration is defined as the allocable portion of the costs for support services and not related to the **direct provision of workforce investment services, including services to participants and employers**. Administrative functions are specified to include the following:
 - General administrative functions such as accounting, financial and cash management, procurement, property management, personnel management and payroll
 - Audit functions and those duties associated with coordinating the resolution of findings originating from audits, monitoring, incident reports or other investigations
 - General legal services
 - Goods and services used for administrative functions
 - Developing systems, including information systems, related to administrative functions
 - The cost of awards made to subrecipient or vendor organizations for administrative services of the awarding agency (e.g., payroll service for staff or clients)
 - Administrative costs are accumulated and reported only by state and local boards, direct recipients (i.e., the state or Title ID grantee), the local grant recipient or subrecipient, the fiscal agent for a local area and the One-Stop Career Center Operator. If the local area makes an award to a vendor for an administrative function such as developing a procurement system, then the vendor costs are classified as administrative. With the exception of the aforementioned type of administrative contract, all awards to vendors and subrecipients are considered program costs and would be reported in the program cost category.

- Accrued expenditures are defined as the charges incurred by the grantee during a given period requiring the provision of funds for (1) goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors and other payees; and (3) other amounts becoming owed (by the grantee) under programs for which no current services or performance are required, such as annuities, insurance claims and other benefits.
- NJDOL retains the right to examine all costs to determine appropriateness of the charge to a category. The grantee is responsible for ensuring that all efforts are made to ensure that administrative costs are kept to a minimum not to exceed the limits established by federal law, rules or policies.

 - 6) Establishing additional prior approvals.

 - 1) The nature of the special conditions and/or restrictions;
 - 2) The reason(s) for imposing the special conditions and/or restrictions;
 - 3) The corrective actions that must be taken before the special conditions and/or restrictions will be removed by NJDOL and the time allowed for completing the corrective actions; and

- D) NJDOL may review the adequacy of the financial management system of any applicant as part of a pre-award review or at any time subsequent to the award. If NJDOL determines that the grantee's accounting system does not meet the standards described in paragraph B above, additional information to monitor the grant may be required by NJDOL upon written notice to the grantee, until such time as the system meets with NJDOL approval.

5) ALLOWABLE COSTS

Funds expended in this project shall be those as stated in the agreement for the purposes and functions outlined, unless changed by an approved modification. The grantee shall be entitled only to reimbursement for actual expenses incurred or obligated during the agreement period or during an approved extension agreed upon by the grantee and NJDOL, and only in the amount specified in the agreement. All obligations shall be liquidated within three months of the completion of the contract period or an approved extension.

It is the intent of the state that all funds be used in a unified and integrated manner in order to provide seamless service delivery, and not to create duplication and multiple administrative entities within the same organization.

No funds under this contract may be used for purposes other than employment and ToWork related activities. These funds may not be used to supplement nor supplant services funded through other efforts. These funds cannot be used to duplicate services and staff being funded under other efforts.

No funding under this agreement can be used to provide for bonuses or other payments above and beyond legitimate wages, salaries or any other form of compensation.

Should any funds under this agreement be used for the purpose of satisfying any grantee or subgrantee pooled costs (i.e., indirect costs or general and administrative), it is the sole responsibility of the grantee to provide documentation substantiating such cost. NJDOL retains the right to question this or any other costs charged to this grant or contract.

All data pertaining to clients served under this agreement must be included in America's One-Stop Operating System (AOSOS). Costs related to clients not registered and/or reported in AOSOS may be disallowed. Upon completion of training, participants should be referred to placement services, either through the training provider or the One-Stop Career Center. Participants may be enrolled into appropriate funded services, such as Job Seeking/Changing Skills or Job Search Workshop to aid the participant in securing employment or receive activities such as referrals to job orders or job order development. Once a participant has not received any funded services or staff assisted activity for 90 consecutive calendar days and is not scheduled for future services, a soft exit will occur in AOSOS.

Grantees who are government, educational or nonprofit organizations must comply with federal cost principles as established in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. These regulations establish government-wide cost principles, including a requirement that salaries and wages charged to this agreement be supported by appropriate personnel activity reports and meet the requirements of 2 CFR 200.430(i) Standards for Documentation of Personal Expenses.

NJDOL does not provide funding that should be intended as working capital. Funds received are for the sole intent of the contracted program. Funds from any agreement must be used in the manner agreed upon within the agreement. Any changes in intent or use must be approved by NJDOL.

Interest earned from any funds included in this agreement must be used consistent with the agreement and with the applicable laws, rules and policies associated with the funding source which resulted in the interest. Further, any interest earned must be reported consistent with program income.

Each grantee shall have a written policy regarding the subject of leave accounting. Such policies must be consistent with policies of the grant recipient and must be available for NJDOL to review. NJDOL retains the right to assess such policies for their potential impact on service provision and require changes to ensure such services may not be impacted by local policies. Each grantee has the responsibility to ensure that its subgrantees, where appropriate, have similar documentation. NJDOL retains the right to determine whether costs/rates within this category are excessive.

Each grantee shall have a written policy regarding severance pay. Such policies must be consistent with policies of the grant recipient and must be available for review by NJDOL. NJDOL retains the right to assess such policies for their potential impact on service provision and require changes to ensure such services may not be impacted by local policies. Each grantee has the responsibility to ensure that its subgrantees, where appropriate, have similar documentation. NJDOL retains the right to determine whether costs/rates within this category are excessive.

Each grantee shall establish a written policy to address the provision of personnel benefits paid, incurred or purchased under this agreement. Costs associated with personnel benefits should be consistent with the developed policy and should apply to the grantee and its subgrantees where appropriate. NJDOL retains the right to determine whether costs/rates within this category are excessive.

Grantees must ensure that costs related to meetings, entertainment, meals, graduations and celebrations are appropriate and of a de minimis amount. Each grantee must establish written policies consistent with that of the grant recipient. NJDOL retains the right to assess such policy for their potential impact on service provision and require changes to ensure such activities may not be impacted by local policies. Each grantee has the responsibility to that its subgrantees, where appropriate, have similar documentation. NJDOL retains the right to determine whether costs/rates within this category are excessive.

Funds used under this grant must be used for the benefit of the program and its clients. Grantees may not use resources from this agreement to benefit the results of non-applicable programs, the application for grants under non-applicable programs, nor employment under non-applicable programs. Grantees using funds in such manner may have these costs disallowed. Grantees shall establish policies on a local level to ensure that, where appropriate, similar requirements apply.

No wages under this agreement, whether for full time or part time work, may exceed the federally imposed limit as set forth in Public Law 109-234 and/or any limits established through applicable law, regulation or order by the state of New Jersey. This establishes a cap for not only annual wages, but should be pro-rated to ensure that hourly, weekly, monthly or any wages either wholly or partially funded under this agreement do not exceed the allowed amount on that basis either. Any costs above the total or pro-rated amount may be the basis for a disallowed cost for the entirety of the amount, not just any excessive amount. Each grantee has the responsibility to ensure that no subgrantees violate this cap and that any violation on that basis is similarly disallowed.

NJDOL reserves the right to cap and deny any requests associated with pooled costs (i.e., indirect or general and administrative). It is incumbent upon the grantee to provide sufficient documentation regarding such requests including documentation of its development and components and approval by the appropriate cognizant agency. Funding of the budgeted amount of the pooled costs in this grant/contract does not imply approval by NJDOL of the amount or method of calculation.

6) MATCHING AND COST SHARING

The grantee shall be required to account to the satisfaction of NJDOL for matching and cost sharing requirements in accordance with the agreement and federal and state requirements.

7) PROGRAM INCOME

Program income shall be defined as gross income earned by the grantee from grant-supported activities. Such earnings include, but will not be limited to, income from service fees, sale of commodities, usage or rental fees and royalties on patents and copyrights.

- A) If a grantee receives interest earned of \$250 or more in a fiscal year on advances of grant funds, see Chapter II-7-3 of the **One-Stop Comprehensive Financial Management Technical Assistance Guide**.
- B) Unless otherwise provided or specified, the grantee shall have no obligation to NJDOL with respect to royalties received as a result of copyrights or patents produced under the grant.
- C) All other program income earned during the grant period shall be retained by the grantee and used in accordance with Chapter II-7 of the **One-Stop Comprehensive Financial Management Technical Assistance Guide**.

8) PRICE WARRANTY

The grantee warrants that the prices agreed upon are not less favorable than those currently extended to any other customer for the same or similar articles in similar quantities. The grantee extends the same terms and conditions as extended to its most favored customers and final price includes all common reductions for discounts, rebates or other incentives. All goods procured under this agreement shall be name brand, first quality, new parts, unless otherwise specified.

9) PAYMENT METHOD

- A) Payments to the grantee or on behalf of the grantee shall be issued only after the agreement has been signed and agreed to by both parties. The grantee will provide sufficient documentation that action has been taken to carry out the terms and conditions of the agreement. Upon receipt of the requisite financial and narrative reports and other forms or reports required by the grantor and upon appropriate certification by the chief financial officer of NJDOL or his/her designee, the grantor will pay the grantee the contracted amount.
- B) A Payment Voucher (Form PV 6/93) form will be submitted in a form satisfactory to NJDOL, with supporting documentation that the contracted services are operational and will continue to be for the period specified in the agreement. At its discretion, NJDOL may request additional reports.

10) REPORTING REQUIREMENTS

The grantee agrees to provide all reports specified in the agreement within the established timeframe and to the satisfaction of NJDOL. Financial reports are to be reported on the accrual basis of accounting.

The following sections F to M pertain to all governmental and non-profit organizations:

- F) All grantees that expend \$750,000 or more in federal financial assistance or state financial assistance within their fiscal year must have annual single audits or program-specific audits performed in accordance with Subpart F – Audit Requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and state policy.
- G) All grantees that expend less than \$750,000 in federal or state financial assistance within their fiscal year, but expend \$100,000 or more in state and/or federal financial assistance within their fiscal year, must have either a financial statement audit performed in accordance with Government Auditing Standards (Yellow Book) or a program-specific audit performed in accordance with Subpart F – Audit Requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and state policy.
- H) Program-specific audits in accordance with Subpart F – Audit Requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards can be elected when a grantee expends federal or state awards under only one federal or state program and the federal or state program's statutes, regulations, or terms and conditions of the grant award do not require a financial statement audit of the recipient.

- I) All grantees that expend less than \$100,000 in federal or state financial assistance within their fiscal year, but expend \$50,000 or more in federal or state financial assistance within their fiscal year must have a special report applying agreed upon procedures including, but not limited to, reviewing and testing the cost and expenses incurred for which reimbursement was requested to determine their propriety under the contract and review of the training records which substantiate training was completed in accordance with the contracts. The procedures to be followed will be provided by the department's Office of Internal Audit.
- J) Although Subpart F – Audit Requirements allows specific provisions for biennial audits; state policy continues to require all audits to be performed on an annual basis.
- K) In addition to federal-required reports and opinions, grantee single audits must contain similar reports and opinions for state funds.
- L) Grantee single audit reports must include a supplementary schedule of the entity's state grant and state financial assistance programs. This schedule must show for each program:

 - Fiscal Year Grant Expenditures;
 - Total Grant Expenditures to Date.

The following section M pertains to for-profit organizations:

- M) All grantees that expend \$50,000 or more in federal or state financial assistance within their fiscal year must have either:

The procedures to be followed will be provided by the Department's Office of Internal Audit.

12) COMPLAINTS, GRIEVANCES AND APPEALS

All grantees must promulgate a written policy regarding complaints, grievances and appeals. The process must be written in a manner that is clear and understandable. The information must be provided to all customers, communicated in a manner in which they may understand, be consistent with, at a minimum all federal and state requirements, offer the opportunity for appeal and establish reasonable timeframes for response. All grantees must also establish for all complaints regarding potential, claimed or actual violations of the Equal Employment Opportunity regulations. These too must minimally satisfy federal and state requirements. As appropriate, documentation regarding these efforts must also designate the appropriate person designated to consider these matters.

13) RECORDS

The grantee agrees to collect, maintain and, upon request, report equal opportunity information, including sex, age, disability, ethnicity, and race, for all individuals who apply for benefits or services financially assisted by the program.

Such records must include, but are not limited to, records on applicants, registrants, eligible applicants and registrants, participants, ex-participants, employees and applicants for employment. The grantee agrees to record the

The grantee further agrees to comply with the requirements of 2 C.F.R 200.79 and 2 C.F.R 200.82 which governs the use of personally identifiable information (PII). Such information must be stored in a manner that ensures confidentiality and must be used only for the purposes of recordkeeping and reporting; determining eligibility, where appropriate; determining the extent to which the grantee is operating the program or activity in a nondiscriminatory manner; or other use authorized by law. Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

The grantee is the responsible authority, without recourse to NJDOL, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurement entered in support of a grant.

15) PROPERTY

The grantee is responsible and accountable for all equipment and property purchased with funds under this agreement, including purchases made by any subgrantee receiving payments on behalf of the grantee. A current inventory of such property and equipment, with a value of \$250 or more, shall be maintained by the grantee. Procedures for property records are outlined in the state of New Jersey Treasury Circular 19-12, https://www.nj.gov/infobank/circular/cir1912_omb.pdf, and the grantee shall follow those procedures. The grantee agrees to provide the same security and safekeeping measures for property paid for under this agreement as the grantee provides for the same or similar property owned by the grantee. The grantee agrees to impose similar conditions upon any subgrantee engaged to provide services under this agreement.

All documents, patents, copyrights, data, studies, surveys, drawings, maps, models, photographs, films, duplicating plates, reports, plans and other materials prepared by the grantee in connection with the project are the property of NJDOL. Such material will be delivered to NJDOL upon request.

If the project is funded under WDP, all documents, patents, copyrights, data, studies, surveys, drawings, maps, models, photographs, films, duplicating plates, reports, plans and other materials prepared by the grantee in connection with the grant are the property of said grantee. However, NJDOL retains the authority to review such material for the limited purpose of determining the extent and quality of performance under the grant. Such materials shall be reviewed by NJDOL upon notice given to the grantee and shall promptly be made available to NJDOL for inspection. NJDOL agrees to take all reasonable steps necessary to safeguard the grantee's proprietary interest in these materials.

In addition, if the aforementioned items are developed pursuant to a grant or contract funded in whole or in part by federal funds, the federal agency which provided the funds reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant, and ii) and rights of copyright to which the grantee, subgrantee or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). This product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. The current per diem rates can be found at the following website: <http://www.gsa.gov/portal/category/100120>.

The grantee will perform all terms and conditions of this agreement unless a provision allowing the subcontracting of work is contained in the agreement. All terms and conditions applicable to the grantee would apply to any subcontractors or third parties hired by the grantee. It is the responsibility of the grantee to have appropriate agreements in place, in a timely manner, for all subcontracts/agreements. All such agreements should be consistent with the requirements of this document.

18) MODIFICATIONS

- A) The grantee agrees to submit a written modification for approval prior to changing any budget line item contained in this agreement.
- B) NJDOL and grantee agree to make any changes to this agreement only through a written modification.
- C) All modifications to this agreement will be appended to and become part of this agreement.

19) DISPUTES

The grantee agrees to attempt to resolve disputes arising from this agreement by administrative process and negotiations in lieu of litigation. The grantee assures performance of this agreement while any dispute is pending.

Any dispute which is not settled by informal means shall be decided by NJDOL, who shall reduce the decision to writing and mail or otherwise furnish a copy thereof to the grantee. The grantee shall be afforded an opportunity to be heard and to offer evidence in support of its position. Pending final decision of a dispute hereunder, the grantee shall proceed diligently with the performance under the agreement.

The dispute resolution mechanism described in this section is not exclusive. NJDOL and grantee preserve all rights in law and equity to pursue any claims that may arise.

This agreement shall be governed by and construed and enforced in accordance with the laws of the state of New Jersey.

20) SEVERABILITY

If any one or more provisions of the agreement are finally adjudicated to be unlawful or unenforceable by a court of competent jurisdiction, then this agreement shall be construed as if such unlawful provisions had not been contained herein.

21) TERMINATION

A) Termination for Convenience – NJDOL or grantee may request a termination for any reason. NJDOL or grantee shall give 90 days' advance notice, in writing, to the other parties to this agreement of the effective date of such termination. The grantee shall be entitled to receive just and equitable compensation for any services satisfactorily performed hereunder through the date of termination.

B) Termination for Cause – NJDOL may terminate this agreement when it has determined that the grantee has failed to provide the services specified, or has failed to comply with any of the provisions contained in this agreement or approved application, or otherwise breached the terms of this agreement. If the grantee fails to perform in whole or in part under this agreement, or fails to make sufficient progress so as to endanger performance, or otherwise breaches the terms of this agreement, NJDOL will notify the other parties to this agreement of such unsatisfactory performance or breach in writing. The grantee has 10 working days in which to respond with a plan agreeable to NJDOL for correction of the deficiencies. If the grantee does not respond within the appointed time with corrective plans satisfactory to NJDOL, NJDOL will serve a termination notice on the grantee which will become effective within 10 days after receipt. In the event of such termination, NJDOL shall only be liable for payment for services rendered prior to the effective date of the termination, provided such services are performed in accordance with the provisions of this agreement.

C) Termination or Reduction of Funds

1) The grantee agrees that major changes to this agreement, both in terms of program content and funding levels, may be required prior to its implementation or during the term of its operations due to new or revised legislation or regulations. The grantee agrees that any such changes deemed necessary by the commissioner of NJDOL shall be immediately incorporated into this agreement.

2) Unearned payments under this agreement may be suspended or terminated upon refusal to accept or satisfy any additional conditions that may be imposed by NJDOL at any time.

22) CONTRACT CLOSEOUT

A) The following definitions shall apply for the purpose of this section:

- 1) Contract Closeout – The closeout of an agreement is the process by which NJDOL determines that all applicable administrative actions and all required work of the agreement have been completed by the grantee.
 - 2) Date of Completion – The date by which all activities under the agreement are completed, or the expiration date in the grant award document, or any supplement or amendment thereto.
- B) The grantee shall submit a closeout package per the terms of the agreement, unless otherwise extended by NJDOL, after completion of the agreement period or termination of the agreement. Closeout forms will be supplied by NJDOL.
 - C) The grantee will, together with the submission of the closeout package, refund to NJDOL any unexpended funds or unobligated (unencumbered) cash advances except such sums as have been otherwise authorized, in writing, by NJDOL to be retained.
 - D) Within the limits of the agreement amount, NJDOL may make a settlement for any upward or downward adjustments of costs after the final reports are received.
 - E) The grantee is responsible for those costs found to be disallowed, including those of any subgrantee paid from funds under this agreement, and NJDOL retains the right to recover any appropriated amount after fully considering the recommendations on disallowed costs resulting from the final audit, even if a final audit has not been performed prior to the closeout of the agreement.
 - F) The grantee shall account for any property received from NJDOL or acquired with funds under this grant, including any property received or acquired by a subgrantee under this grant.
 - G) The grantee shall forward closeout package to the grantor within 60 days of the closeout.

23) PERFORMANCE

The grantee assures performance will be in accordance with, and within the period of, this agreement and will immediately report any conditions that may adversely affect performance to NJDOL as soon as they become known. Grantee agrees to meet negotiated program performance levels as a condition of future funding and to any program requirements stated in the Notices of Award that granted operational authority for the funds contained in this contract. Any fraud or suspected fraud involving granted funds must be reported to the grantor with 48 hours of its discovery. The grantee shall establish and document a process to ensure that the results of programs and services provided with funds provided by this agreement and overseen and reviewed to ensure that these resources are maximized for effectiveness and results in addition to any specific program requirements as established by law, regulation or policy. The grantee shall ensure that such process includes a determination of effectiveness and that such findings, minimally on an annual basis, are committed to writing and shared with NJDOL. The grantee acknowledges that NJDOL has the right and responsibility to take action and potentially sanction any area that fails to attain satisfactory performance consistent with the rules overseeing any of the funds under this agreement.

24) CONFLICTS OF INTEREST

The grantee shall avoid organizational conflicts of interest or the appearance of conflicts of interest in the conduct of procurement activities. Any gratuities offered by the grantee, its agent or representative to any officer, director or employee of NJDOL with a view toward securing this agreement or securing favorable treatment with respect to the awarding, amending or the making of any determination will render the agreement voidable at the option of NJDOL, and may justify further action under applicable state laws. The grantee agrees that it shall ensure that all steps are taken to avoid actual or potential conflicts of interest in their efforts under this agreement. The grantee must guarantee and monitor its system to ensure that all staff, officers, board or staff members touched by resources under this agreement are not in conflict. The grantee shall develop/maintain a written code of conduct which provides specific requirements and processes to ensure that that anyone, including staff and board members, shall not be in conflict and indicate the steps the grantee will take to avoid the potential of conflict.

25) OPEN GOVERNMENT PRACTICES

The grantee shall ensure that any activity funded in whole or part of this agreement meets the highest of ethical standards and shall not violate applicable federal, state or local rules regarding any of the following subjects:

- Patronage
- Political Activities
- Hatch Act
- Sectarian Activities
- Maintenance of Effort/Supplanting
- Open Public Meeting

Written policies regarding the grantee shall be documented, maintained and available for review. The grantee should also require that subgrantees establish, document and maintain such policies as appropriate.

26) BONDING AND INSURANCE

The grantee shall ensure that every officer, director or employee who is authorized to act on behalf of the grantee for the purpose of receiving funds into program accounts or issuing financial documents, checks or other instruments of payment is bonded to provide protection against loss.

27) AVAILABILITY OF FUNDS

The grantee shall recognize and agree that both the initial provision of funding and the continuation of such funding under the agreement is expressly dependent upon the availability to NJDOL of funds appropriated by the state Legislature from state and/or federal revenue or such other funding sources as may be applicable. A failure of NJDOL to make any payment under this agreement or to observe and perform any condition on its part to be performed under the agreement as a result of the failure of the Legislature to appropriate shall not in any manner constitute a breach of the agreement by NJDOL or an event of default under the agreement and NJDOL shall not be held liable for any breach of the agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from NJDOL beyond the duration of the award period set forth in the agreement and in no event shall the agreement be construed as a commitment by NJDOL to expend funds beyond the termination date set in the agreement.

28) LIABILITY

This agreement is subject to all of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq., the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. and the availability of appropriations.

The state of New Jersey does not carry any public liability insurance, but the liability of the state of tort claims against its employees is covered under the terms and provisions of the New Jersey Tort Claims Act. The act also creates a special self-insurance fund and provides for payment of claims against the state of New Jersey or against its employees for tort claims arising out of the performance of their duties for which the state is obligated to indemnify.

The grantee shall be solely responsible for and shall keep, save and hold the state of New Jersey harmless from all claims, loss, liability, expense or damage resulting from all mental or physical injuries or disabilities, including death to its employees or recipients of the grantee's services or to any other persons or from any damage to any property sustained in connection with the delivery of the grantee's services that results from any acts or omissions, including negligence or malpractice of any of its officers, directors, employees, agents, servants or independent contractors or from the grantee's failure to provide for the safety and protection of its employees, whether or not due to negligence, fault or default of the grantee. The grantee's responsibility shall also include all legal fees and costs that may arise from these actions. The grantee's liability under this agreement shall continue after the termination of this agreement with respect to any liability, loss, expense or damage resulting from acts occurring prior to termination.

Unexpended funds that are expected to be available from previous agreements, which constitute carry-in, shall also be included in the budget. Such budget must indicate for each line item, the intended amount dedicated to the effort and indicate the various grant sources intended to pay for that function as part of cost allocation.
