**A. NAME OF GRANT PROGRAM**

New Jersey Youth Corps (NJYC)

**B. PURPOSE OF THE GRANT**

The purpose of the NJYC program is to implement a statewide coordinated service system designed to help disconnected out-of-school youth, ages 16-25, without a high school diploma, reengage in educational, training and employment opportunities for a sustainable long-term career development. NJYC will provide full-time, cohort-based education and service learning, individual counseling, and transition services designed to help Corpsmembers resolve barriers, obtain a High School Diploma (by way of equivalency exam) or other measurable skill gain, and transition to a qualified post-corps placement along an identified career pathway.

**C. AVAILABLE FUNDING**

The NJYC program is expected to be funded by the State annual appropriations act, Workforce Investment Opportunity Act (WIOA) State set-aside, and a supplemental amount made available to NJDOL by the Department of Human Services (DHS) pursuant to 45 CFR 260 et seq. This NGO serves as the fourth year of a four-year grant cycle. The amount of year four funding expected to be available for Fiscal Year (FY) 2025 (July 1, 2024 – June 30, 2025) is \$6,300,000. Funding is contingent upon passage of the State FY 2025 Appropriations Act, receipt of federal WIOA Set-aside funds and the transfer of funds from the DHS.

The total grant amount may not exceed \$12,600 per Corpsmember, and applications must propose to enroll no less than 20 Corpsmembers.

Applicants may propose to enroll up to 20% more Corpsmembers than contracted in FY24 ONLY if they achieved at least 90% enrollment in that fiscal year. Final amounts will be determined at the time of pre-contract revisions, which may take past performance into consideration. Ineligible, inappropriate or undocumented costs will be removed from the funding request.

The grant period for year four will be a 12-month duration and is estimated to begin on July 1, 2024. All funds must be fully expended by June 30, 2025. For each successive year of the grant cycle, the approved applicant will be required to apply for continuation funding.

**D. ELIGIBLE APPLICANTS**

Organizations receiving Youth Corps funding in FY2024, who have met both program and fiscal requirements, are eligible to apply.

Applicants must have the capacity to operate this program for the full duration of the four-year cycle, and must be in good standing with NJDOL’s Division of Employer Accounts. Any

organization that has an outstanding liability to NJDOL will not be able to have its contract executed by NJDOL until the liability is resolved.

**PLEASE NOTE:** All guidelines and required forms in this document are accessible through hyperlinks on the Table of Contents page, which appear in blue font and are underlined.

#### **E. REQUIREMENTS TO APPLY**

Applicants must be able to demonstrate the ability to effectively implement the NJYC model by recruiting, retaining out-of-school youth and operating according to the attached NJYC Program Requirements.

Each NJYC grantee must meet the following performance objectives:

1. Enroll contracted number of Corpsmembers.
2. 85 percent of those enrolled will successfully complete Stage I of the NJYC program.
3. 80 percent of those enrolled at the high school education level shall obtain their High School diploma by way of equivalency exam. High school education level is defined as testing at a 9<sup>th</sup> grade level in BOTH reading and math, per approved standardized academic assessment.
4. 100 percent of Corpsmembers must achieve at least one Measurable Skill Gain, defined as:
  - Growth of one grade level in either subject of Reading or Math, based on approved standardized test;
  - Obtainment of a High School diploma.
5. 75 percent of Corpsmembers who successfully complete Stage I of the NJYC program will achieve one or more post-corps placements.
